

MULTI SPLIT

BRISA wall-mounted air conditioners

TEMPERATURE SETPOINT from 16 to 30°C

Wi-Fi control

The Wi-Fi control in standard enables controlling the air conditioner with your smartphone connected to the Internet from any place. The comfortable and intuitive Wi-Fi INTELLIGENT AIR app enables access to all basic settings of the air conditioner.

High energy efficiency

Innovative solutions enabled a significant reduction of energy consumption in both cooling and heating mode. The appliances have A++/A+ energy rating.

SMART airflow

An innovative solution for airflow control. The stream is directed upwards during the cooling and downwards during the heating, which enables an even distribution of air, thus preventing direct airflow on the user.

Airflow speed control

The option to control airflow shutters vertically and horizontally enables precise direction of the airflow. The up-down control function is available from the wireless controller and the Wi-Fi Intelligent Air app. The left-right control is done manually.

Quiet operation

The components comprising the air conditioner and the optimum airflow system ensure quiet operation for comfort during work and leisure.

Wireless controller
YR-HAC01 (included)

Indoor unit		JS050-C2	
Rated capacity	Cooling	kW	5.0
	Heating	kW	5.2
Electrical parameters	Power supply	f/V/Hz	1/220-240/50
Performance	Airflow	m ³ /h	900
	Sound power level	dB(A)	57
	Sound pressure level	dB(A)	44/40/35/28
Installation	Dimensions without packaging (W/D/H)	mm	1008/225/318
